LAST TOUCH EXPRESS

SUPER FAST LIQUID WAX - FOR A PERFECT FINISH

APPLICATION FIELD

Having your car always shiny, clean and protected, whenever you want, in a safe and fast manner: with LAST TOUCH EXPRESS you really can! The LAST TOUCH EXPRESS super-fast liquid wax quickly and easily guarantees exceptional, deep and long lasting cleaning and shine, even when it rains. This innovative, high performance formula is rich in precious Carnauba wax, considerably increasing bodywork shine, preventing dirt from depositing again, guaranteeing long lasting protection and leaving the surface incredibly silky to touch.

Developed by MA-FRA research laboratories, LAST TOUCH EXPRESS can be used anywhere, including windows and plastic, without leaving streaks: simply spray the product and pass a micro-fibre cloth over it to treat the entire car in just a few minutes, whether wet or dry.

With LAST TOUCH EXPRESS your car will shine in just a few minutes, guaranteeing a mirror effect, without streaks and without fatigue!

CHARACTERISTICS

pH value at 20°C:	7
