

UNIKA – THE INCREASER – SH3

NEUTRAL POLISHING PRE-WAX

- Its special high-tech neutral formula enhances the properties of the wax, thereby ensuring top polishing performance levels.
- Maximum compatibility with any kind of wax and system.
- Considerably improves performance in terms of gloss at the end of the treatment.
- It enhances the silk-like effect and the final drying, as well as promotes the opening of the thin layer of water.
- Ensures the thin layer of water is broken before applying the wax, thereby enhancing its performance.
- Easy to rinse, adds a pleasant scent.
