

UNIKA – THE SHINEWASH – SH2

PROACTIVE PREWAX WITH POLISHING ACTION

- Active wax-based product with balanced foam, easy to rinse.
- Its special innovative formula ensures a highly polishing effect on the body work.
- Ensures the thin layer of water is broken before applying the wax, thereby enhancing its performance.
- Incredible protective and polishing action on the vehicle: it enhances the protective result of waxes, both in terms of drying and protection.
- Helps prevent mould and algae from forming on brushes.
- Adds a pleasant scent.
- Product also suitable for systems using recirculation water.
